FOR IMMEDIATE RELEASE

OneShield Dragon Achieves “Positive” Rating in Leading Analyst Firm’s MarketScope

December 9, 2011 – Westborough, MA – [OneShield Inc.](#), the provider of [OneShield Dragon](#)[®], a flexible, content-rich policy and billing platform designed for commercial, personal and specialty lines of business of the property and casualty (P&C) insurance sector is pleased to announce Dragon Policy’s “Positive” rating in the recently published ***Gartner MarketScope for North American Property and Casualty Insurance Policy Management Modules***.*

"The OneShield team is extremely proud to receive this stand-out ‘Positive’ rating," said Glenn Anschutz, president and CEO for OneShield. "Our growing customer base continues to benefit from Dragon’s advanced functionality and our commitment to providing technology solutions that meet the insurance industry’s unique business and technology challenges."

Gartner’s MarketScope evaluates policy management technology providers and systems based on market understanding, product strategy, product/service capabilities, overall viability, customer experience, sales strategy and sales execution/pricing.

OneShield has consistently demonstrated solid market understanding, a defined product strategy, and customer-centric product and service capabilities, as well as high levels of customer satisfaction. The components of OneShield Dragon, including Dragon Policy, are metadata-driven and supported by an object-oriented architecture which ensures ease of use and integration, business agility and process efficiency necessary for P&C insurance companies to achieve true speed to profit.

With in-depth industry expertise in commercial, personal and specialty lines embedded in the system, Dragon Policy is a highly-configurable system capable of rapid deployment. Dragon Policy has a strong installed customer base that crosses all tiers and all lines of business. This “Positive” rating affirms OneShield Dragon as a proven policy management system that can help carriers meet today’s customer demands, as well as the market demands of the future.

About OneShield

OneShield delivers flexible, content-rich core systems for commercial, personal and specialty lines insurers in the property and casualty (P&C) insurance sector. Its flagship product, OneShield Dragon[®] automates billing, underwriting, policy management, rating, and workflow while providing greater insight on an insurer’s book of business with robust business intelligence and reporting tools. Dragon delivers speed to profit through automation which helps insurers meet existing, as well as future, customer and market demands. OneShield has offices in Westborough, MA, Glastonbury, CT and Gurgaon, India. **For additional information, visit www.oneshield.com.**
