

OneShield, Inc. Strengthens Sales and Client Service Organization

July 13, 2006 (Westborough, MA) – OneShield, Inc., a provider of policy administration and business process management solutions for the insurance industry, today announced the promotion of Heather Peacock to Senior Vice President of Sales and Client Services.

Ms. Peacock's appointment affirms OneShield's continued growth and commitment to offer innovative technology driven solutions and superior customer service to the P & C market. In this role, Peacock will report to President and CEO Glenn Anschutz.

"Heather is an accomplished executive with vast knowledge of the P & C industry," comments Anschutz. In making this announcement Anschutz said, "Heather will leverage her 15 years of industry expertise and proven track record leading sales and implementation teams delivering complex automation solutions. Her marketing and leadership skills will be invaluable as we work to broaden OneShield's market presence," adds Anschutz. Heather has been with OneShield for 6 years and has held positions as a Sales Executive, Marketing Manager and Implementation Director.

Prior to joining OneShield, Heather held positions at Liberty Mutual Insurance Company and Insurance Technology Services of America.

About OneShield, Inc.

OneShield is a leading provider of browser-based solutions to automate the sales and service of insurance and bond products for insurance carriers, major brokers, and MGAs. Our flagship product, OneShield Dragon[®], is a tools-based, data-driven insurance underwriting, policy administration, rating and workflow engine. Dragon provides the configurability to meet today's goals and the modifiability to adapt to future demands. For additional information, visit www.oneshield.com.
